

Prices and Types of DBS checks available

Standard...£41

A Standard disclosure documents unspent criminal convictions, cautions, reprimands and warnings received in England and Wales that are held on the Police National Computer. Relevant convictions received in Scotland and N. Ireland will also feature.

Enhanced...£58

Enhanced disclosures provide the same level of detail as standard disclosures, but also check local police records and search for an individual's details on the DBS Children's Barred List and DBS Adult First.

Enhanced DBS Checks are designed to ensure that no-one on these lists will work with children under 18 or vulnerable adults.

Voluntary...£18

DBS Checks for volunteers can be conducted at a Standard level or at an Enhanced level, depending on the role the applicant has.

Individuals cannot apply for a Volunteer DBS Check, only the organisation or charity that the person is volunteering for can apply for a check.

DBS Adult First...£10

DBS Adult First is a service available to organisations who can request a check of the DBS Adults' barred list. Depending on the result, a person can be permitted to start work, under supervision, with vulnerable adults before a DBS certificate has been obtained.
